Dottikon, Switzerland, September 23, 2014 – On July 4, 2014, the Annual General Meeting of DOTTIKON ES HOLDING AG approved a reduction of share capital by reduction of the nominal value per registered share by CHF 4.90. The registration was made in the Commercial Register after threefold publication of the notice to creditors as required by law. The reduction of nominal value will be paid out to all entitled shareholders on Tuesday, September 30, 2014. The ex date for the shares of DOTTIKON ES HOLDING AG will be Thursday, September 25, 2014. The new nominal value is CHF 0.10 per registered share.

DOTTIKON ES manufactures high-quality performance chemicals, intermediates and exclusive active pharmaceutical ingredients (APIs) for the world's leading chemical and pharmaceutical industry. The company with its production site in Dottikon (Aargau, Switzerland) is specialized in hazardous reactions and is positioning itself as strategic development and manufacturing partner. Its safety culture created over the last 100 years guides innovative use of hazardous reactions, low-temperature and high-pressure chemistry, as well as continuous processing. This shortens conventional chemical synthesis routes, increases yields, selectivities and purities, and reduces waste. The versatile technology and equipment portfolio is used to design, develop and optimize chemical processes, and scale up from kilograms to multi-tons. DOTTIKON ES' one-site strategy allows reduced decision and communication pathways. This ensures rapid and efficient project development as well as clear and transparent communication with customers.

DOTTIKON ES HOLDING AG is listed at the SIX Swiss Exchange.
