

DOTTIKON ES – Change of Regulatory Standard to Swiss Reporting Standard

Dottikon, Switzerland, July 19, 2018 – Starting on October 1, 2018, registered shares of DOTTIKON ES HOLDING AG, based at Hembrunnstrasse 17 in 5605 Dottikon, will be admitted for trade according to the SIX Swiss Exchange's Swiss Reporting Standard. The last trading day under International Reporting Standard is September 28, 2018.

The change of regulatory standard is a result of the change in the accounting standard from IFRS (International Financial Reporting Standards) to Swiss GAAP FER, as announced in the media releases dated July 7, 2017, and October 11, 2017. The change took effect on April 1, 2018, and will first be applied in the Half-Year Report 2018/19. It is based on Art. 6 of the Directive on Financial Reporting of SIX Exchange Regulation AG.

DOTTIKON ES manufactures high-quality performance chemicals, intermediates and exclusive active pharmaceutical ingredients (APIs) for the world's leading chemical and pharmaceutical industry. The company with its production site in Dottikon (Aargau, Switzerland) is specialized in hazardous reactions and is positioning itself as strategic development and manufacturing partner. Its safety culture created over 105 years guides innovative use of hazardous reactions, low-temperature and high-pressure chemistry, as well as continuous processing. This shortens conventional chemical synthesis routes, increases yields, selectivities and purities, and reduces waste. The versatile technology and equipment portfolio is used to design, develop and optimize chemical processes, and scale up from kilograms to multi-tons.

DOTTIKON ES' one-site strategy allows reduced decision and communication pathways. This ensures rapid and efficient project development as well as clear and transparent communication with customers.

DOTTIKON ES HOLDING AG is listed at the SIX Swiss Exchange.
